RACINE COUNTY COVID-19 UPDATE March 27, 2020

Overview

A Racine County Sheriff's Office-led effort on personal protective equipment is resulting in the creation of 2,300 facemasks that will be used by local first responders, workers at long-term care facilities, and others on the front lines. Since last Friday, the Sheriff's Office, with assistance from local volunteers, sewing groups, Sew N Save Racine, and personnel at the state Ellsworth Correctional Facility and Racine County Jail, began coordinating a large sewing project to produce home-sewn masks. The Sheriff's Office is now working with the Racine County Human Services Department and other community partners to prioritize areas in the county where the masks will be deployed.

Number of coronavirus cases

United States: 85,356 Wisconsin: 842 Central Racine County Health Dept: 10 City of Racine Public Health Dept: 7 Racine County total: 17

City of Racine

Mayor Cory Mason announced that the City Clerk currently plans to keep City Hall open on both Saturday, March 28 and Saturday, April 4 from 11 a.m. to 3 p.m. for residents who want to in person, early absentee vote. The City wants to provide as many options for residents to vote early, and in the safest possible way.

Residents can also request a mailed absentee ballot by visiting <u>www.myvote.wi.gov</u>. All requests for ballots must be received by 5 p.m. Thursday, April 2.

The City of Racine Health Department reported two additional confirmed cases of COVID-19, bringing the total in the City of Racine to seven.

Public Health

Central Racine County Health Department (CRCHD) reported five additional confirmed cases of COVID-19, bringing the total for the CRCHD jurisdiction to 10.

The State Department of Health Services released two items today:

- Evolving Priorities for COVID-19 Testing in Health Care, Long-Term Care, and Other <u>Settings</u>.
- Updated COVID-19 Guidance for Health Care Providers.

State of Wisconsin

Gov. Tony Evers has launched an initiative designed to get more personal protective equipment (PPE), such as gowns, gloves and masks, to those working on the frontlines of the response to the COVID-19 pandemic. Wisconsinites can now go to <u>https://covid19supplies.wi.gov/Donations</u> to either donate or sell large quantities of PPE to the State of Wisconsin. The State Emergency Operations Center (SEOC) will then work with distribute the PPE to communities that need it the most.

While libraries are closed, they are being encouraged to leave their WiFi on during the crisis. Read more.
