April 9, 2020

Overview

The Central Racine County Health Department jurisdiction is reporting the death of a female in her 90s from complications of coronavirus (COVID-19), the third coronavirus-related death in Racine County.

Number of confirmed coronavirus cases

United States: 427,460
Wisconsin: 2,885
Central Racine County Health Department: 52 (2 deaths)
City of Racine Health Department: 46 (1 death)
Racine County total: 98 (3 deaths)

Racine County

Racine County's Coronavirus Hub utilized 211 Wisconsin to create a map of a variety of local resources commonly requested by residents during the COVID-19 outbreak. Resources include income support, medical, child care, utility assistance and more. [Check out the map here.](#)

Central Racine County Health Department

Today, Gov. Evers announced in a [press release](#) that he has directed the DNR to close 40 state parks, forests and recreational areas to protect the health and safety of the public.

Advocate Aurora

Advocate Aurora released a statement yesterday on how the hospital is planning for a potential influx of patients. [Read the release here.](#)
