City of Racine and Central Racine County Health Departments

Wisconsin Department of Health Services is now showing hospital capabilities by region at <https://www.dhs.wisconsin.gov/covid-19/hosp-data.htm>.

Johns Hopkins University has an online COVID-19 Self-Checker, where you can quickly find information and check yourself for symptoms:

<https://www.hopkinsmedicine.org/coronavirus/covid-19-self-checker.html>

Racine County

The Racine County Economic Development Corporation has created the Racine County Open Business Listing - a great tool for residents to use as a guide to help identify open businesses. [You can find the listing here](#). Any open business not listed can click the link and fill out the short registration form found in the top right corner.

Resources

For Racine County updates on the COVID-19 outbreak, please visit www.racinecounty.com/coronavirus. The City of Racine coronavirus webpage can be found at www.racinecoronavirus.org. The Central Racine County Health Department's COVID-19 page is www.crchd.com/covid-19.

For national information on COVID-19, please go to the Centers for Disease Control's website: www.cdc.gov/coronavirus.

You can also find current information on the Wisconsin Department of Health Services website, which has guidance that is updated regularly for travel, self-quarantine, and school districts, among other important information: <https://www.dhs.wisconsin.gov/disease/covid-19.htm>.
