## **RACINE COUNTY COVID-19 UPDATE**

### **April 29, 2020**

#### **Confirmed coronavirus cases**

United States: 1,028,217

Wisconsin: 6,520

Central Racine County Health Department: 139 confirmed (plus 49 probable); 8 deaths

City of Racine Public Health Department: 178 confirmed (plus 52 probable); 4 deaths

Racine County total: 317 confirmed (plus 101 probable); 12 deaths

*Note: Probable cases are symptomatic individuals who have not been tested but are presumed positive because they had direct contact with a confirmed case of COVID-19, or whose COVID-19 test results were inconclusive.*

#### **City of Racine and Central Racine County Health Departments**

The Wisconsin Department of Health Services will be providing more than \$140 million in food benefits to the families of children who previously received free or reduced-price meals through the National School Lunch Program. Learn more about these P-EBT benefits [here](#).

#### **City of Racine**

The City of Racine launched the #StaySafeRacine Campaign today. The #StaySafeRacine campaign includes a variety of tools for residents to share how they are staying safe and encourage others to do the same. The #StaySafeRacine toolkit is available at [www.StaySafeRacine.org](http://www.StaySafeRacine.org), and is equipped with, among other things:

- Examples of social media posts in English and Spanish;
- Key messages to be shared via social media in English and Spanish;
- Social media graphics in English and Spanish;
- 15-second and 30-second public service announcements in English and Spanish;
- "Stay Home Save Lives" artwork for graphic designers; and
- Digital billboards.

The City of Racine Health department has updated their case and demographic data which can be found at [www.racinecoronavirus.org](http://www.racinecoronavirus.org) or by clicking [here](#)
