

COVID-19 AT SCHOOL

What to do when you have a positive COVID-19 case in school:

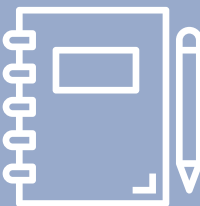

Report the positive case to CRCHD by calling 262-898-4460.

Send home the positive individual and any close contacts.

Close contacts include anyone within 6 feet of the positive case for 15 minutes or more.

Gather the following information:

- A line list of close contacts
- Current absentee rate (changes/increases)
- Census of students and staff
- Current mitigation and policies: masking, distancing, cleaning, screening

What happens next?

The health department will provide guidance and answer any questions you may have. All close contacts will be notified of their exposure by their local health department. Contacts will be asked to quarantine based on current CDC/DHS guidelines.
