Central Racine County Health Department: 845 confirmed, 160 probable, 15,716 negative, 38 deaths

City of Racine Health Department: 1,540 confirmed, 195 probable, 12,828 negative, 27 deaths

Racine County total: 2,385 confirmed, 355 probable, 28,544 negative, 65 deaths

Positive test percentage: 7.7%

Updates for the week of July 13:

- The [state DHS reported 769 new cases of COVID-19](#) on Sunday after three days of record highs. It's crucial that residents adhere to strict social distancing guidelines, wear facemasks, and practice good hygiene so we can protect our fellow residents and prevent another rise in cases locally.
- The City of Racine Public Health Department and Racine County Emergency Operations Center are partnering with the Wisconsin National Guard on a free community COVID-19 testing site beginning today, July 13, through Thursday, July 16, from 11 am to 7 pm each day at Festival Hall. The testing is open to anyone who lives or works in Wisconsin. No appointment is necessary. Information on other testing sites can be found [through the DHS](#).
- CDC's [One-Stop Shop](#) provides quick access to COVID-19 communication resources. Topic-specific toolkits make it easy to access, leverage, and share CDC resources. These new toolkits contain videos, social media posts, PSAs, print resources, checklists, FAQs, and web resources.
